OFFICE OF PETITIONS

Sir:

Please preliminarily amend the subject application as follows:

IN THE CLAIMS:

Please add new claims 47-73 as follows:

45

- ~~47.~~ A semiconductor device comprising:
a resinous substrate having an uneven surface;
a resinous layer provided on said uneven surface of said resinous
substrate and having a planarized surface; and
a thin-film transistor provided on said planarized surface of said
resinous layer;
an interlayer insulating layer comprising a resinous material provided
over said thin-film transistor; and
